WEEKLY CHECK POINT AND IMPROVMENT

Prof. Jhon Cena

Computer Science and Informatics
London South Bank University

"I don't fight anymore,
now i have a robot to fight"

Mr. Abdu

Computer Science 23
Student ID: 23887
Project Designer And Developer

"Always busy with Mr. jhon's Robot"

Personas

Using Wireframing

- There are so many ways to making web pages. But we are going to use make our website by Using HTML, CSS and JavaScript.
- As a team we can make website as we can. We decided to make in proper way.

Thank You Guys
